FORMATOR'S COURSE:

Media and Formation

Nav Sadhana, P.O. Shivpur, Varanasi – 221 003, U.P.

Feb. 17 – 20, 2018

Dear Bishops / Major Superiors / Fathers / Sisters / Brothers

Formation is for Transformation: the ultimate goal in formation is to encounter the Person of Jesus and to be transformed into the values and attitudes of Christ, to live up to and to share the Gospel values in our time and age. The formation of the priests and the religious is a major concern of the Church. The changing patterns of family and social life have caused their ripples in formation houses too. There is a great need to re-emphasize our missionary commitment to the Kingdom values and to live as a contrast community of disciples.

The course on Media and formation is designed to help the formation personnel to be effective formators and empowered persons as they are in the world, where money, media and technology explosions have come to define the contemporary age; where the realities such as globalization, liberalization, privatization, individualism fundamentalism, communalism, consumerism, and terrorism are encountered in daily life. Today no one can be indifferent to the question of mass media and its effect. We need to handle the mass media wisely because depending upon the way the mass media is used, they can be tools not only for personal enrichment, but also national and international advancement and cohesion.

With this objective in mind and to educate the formators on the importance of Media and its use and abuses, the CBCI- Office for Social Communications, will organize this seminar from February 17-20, 2018 at Nav Sadhana, Varanasi.
